Dear Parent,

1. Your child is provisionally selected for admission to class I (2017-18) and school has given wide publicity of the list through Notice Board /school website (public Domain) etc.
2. Now that you have not reported to school till the last date of admission (05/04/2017), your child's admission is liable to be cancelled.
3. As a last opportunity, if you are not reporting to KV ASC Centre within two days (up to 07/04/2017) your ward's admission is deemed cancelled and no further claim in this regard will be entertained, as the seat would be allotted to the next in the panel.
